

STUDENT ACTIVITIES

The College encourages its students to be active in student chapters of professional organizations. The College will sponsor local chapters in areas related to students' majors. If a student is interested in establishing a student organization, which is not already available on campus, the student should provide a written request to the Campus Director. If enough student interest exists, the College will sponsor the chapter.

The local area offers diverse opportunities for student recreation and social activities. The College may sponsor extracurricular activities in accordance with student interest. Student suggestions for additional activity should be provided to the Campus Director.

Being a team player is part of a work environment in today's economy. Therefore, students interested in specific activities will be given the responsibility to help organize and help carry out such extracurricular activities with the assistance of the College for approved activities.
